Part #2

Bei binären Grooves sind alle rhythmischen Bausteine – 4tel, 8tel, 16tel – durch zwei teilbar.

Binäre Grooves in Part 2 eignen sich gut für Musikstile wie Pop, Rock, HipHop/Rap, Funk, Drum'n'Bass uvm.

In binary grooves, all rhythmic building blocks – 4ths, 8ths, 16ths – are divisible by two.

The binary grooves in Part 2 are played in pop, rock, hip-hop/rap, funk, drum'n'bass and many more.
