- Measure 2: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 3: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 4: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 5: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 6: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 7: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 8: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 9: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 10: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 11: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 12: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 13: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 14: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 15: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 16: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 17: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 18: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 19: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 20: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 21: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 22: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 23: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 24: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 25: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 26: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 27: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 28: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 29: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 30: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 31: A series of 16 vertical tick marks, grouped into four sets of four.
- Measure 32: A series of 16 vertical tick marks, grouped into four sets of four.
